Donna Thompson  
Susan D. Hudson  
Heather M. Olsen

***SAFE Play Areas: Creation, Maintenance, and Renovation** is an all-in-one guide that helps you provide safe and quality experiences for children in outdoor play areas.*

Full of practical tips and information, this easy-to-read book provides the reader with valuable information for the implementation of quality supervision, best practices of age-appropriate design, decisions about the best fall surfacing, and appropriate maintenance.

Included in the book is a CD-ROM that offers a presentation package of slides for use as a quick refresher for employees.
