

Evaluation: ICN—IPAD Apps for 3-5 Yr. Olds

1. Describe how your role is related to an IPAD 2 with social skills applications: (please X)

- I will receive/ received an IPAD 2 with social skills applications from my AEA to use in a classroom this school year/next school year.
- I use an IPAD in the classroom this school year or next school year independent of the IPAD project.
- I support a teacher using an IPAD regardless if they received a new IPAD from this project, from the district, or from personal use.

2. If you are interested in joining a Google site that will allow feedback regarding IPAD apps use, additional suggestions on social skills applications for 3-5 years olds, and sharing of applications for instructional use for social skills; please provide your email below:

Email address:

3. What assessment tools do you use or have considered using to assess social skills need:

Assessment	Already Use	Might Be Interested
GOLD
