

ARTHUR'S NAPKIN ART

Follow the directions to design a napkin that describes you!

Let's do it together:

1. Create a border of stars if you are a girl.
2. Create a border of dots if you are a boy.
3. Write your favorite number in the top left corner.
4. Draw one balloon for each year of your age.
5. Draw one round smiley face for each brother you have.
6. Draw one square smiley face for each sister you have.
7. Draw a cupcake. Write the date of your birthday inside.

Later you can:

1. Color the napkin your favorite color.
2. Use the back of the napkin sheet to describe your favorite birthday memory.
3. Work with a partner to complete "My Partner's Napkin Says" sheet.
